Tools required: knife, scissors or razor knife.

This is how your chair should look upon delivery. If there is any damage, please call Elite Massage Chairs at 1-800-592-0548

Step 1) Cut Both plastic bands wrapped around box.

Step 2) Lift lid off of box and set aside –

There is no need to cut the tape on the lid to remove it.

Step 3) Remove the back cushion, head pillow, accessory box, and all packing from around chair (put them in the lid for safe-keeping until ready to attach to chair).

Step 4) Take one of the cardboard pads used to protect the armrests and set behind box .

Step 5) Have an assistant stand at the back of the chair as you lift box up from the footrest end until the chair is sitting 90 degrees upright. Note to assistant; the backrest will try and unfold during this process so keep a good hold on the chair.
